Dear Colleagues:

The Board of Governors is soliciting nominations for the 2022-2023 Citizen Scholar Award. This is the highest award available to Missouri State University students. Since the Award's inception in 2007, eighty-nine exceptional students have been selected and formally recognized. We request your nominations for the recognition of six more outstanding Citizen Scholars. The nomination deadline is Thursday, September 8, 2022. Winners will be selected by a Board of Governors subcommittee and will then be introduced before the full Board at the December 15th meeting. The recipients, their parents, and nominating faculty and staff will be invited to attend a dinner honoring the selected students on Thursday, December 15, 2022.

The nomination procedure, forms, and selection criteria can be found on the Citizen Scholar homepage at <http://studentaffairs.missouristate.edu/citizenscholaraward.htm>.

Submit your nominations by 8:00 a.m. on Thursday, September 8, 2022, to:
